

Hey! You just found **piece C** of the „Exit the MS Teams Room“ challenge!

Here are **three puzzle pieces** that help you solve **three of the four riddles**.

1. Are you a tech history geek? Then you might know this:

>> When was Microsoft founded? <<

2. Can you find this number on the picture?

>> The “G” in the RGB of the water <<

4. A visual puzzle piece, useful for riddle number four:
