Hey! You just found **piece E** of the „Exit the MS Teams Room" challenge!

Here are **three puzzle pieces** that help you solve **three of the four riddles**.

1. Are you a tech history geek? Then you might know this:

   >> When did Serviceware go public?<<

2. Can you find this number on the picture?

   >> The decimal equivalent of the binary <<

4. A hint to the visual puzzle, useful for riddle number four:

   >> *"Digital puzzles might require digital tools in order to bring the pieces together"* <<
